REMINDER
Students should stay home if they have a fever of 99.5 or higher. Students should be fever-free for 24 hours (without the use of fever reducing medication) before returning to school. Students with severe and/or persistent coughs should remain at home, as should students with white spots in the back of their throat. Students with vomiting and/or diarrhea should also remain home for 24 hours after their symptoms have stopped.

REMINDER
Remember to send your students to school with **coats, hats, gloves, scarves**, etc. It is cold out! They will still go outside for recess, weather permitting. Please make sure they are prepared.
