STUDENTS

On April 30th, incoming 6th grade students from Lakewood Falls Elementary will be bussed to Ira Jones for step-up day. Students will participate in school tours, panel discussions, and meet some of the IJMS staff. This opportunity will allow 5th graders the chance to investigate a middle school environment and learn what it means to be an eagle.

PARENTS

On May 1st, parents and guardians of incoming 6th grade students are invited to join the Ira Jones staff. The night will serve as an overview to Ira Jones Middle School. The agenda for the night will include 4 rotations and allow parents/guardians to understand what makes IJMS a great learning place and how to help students be successful.

***We hope to see
you there!***
