

Lakewood Falls ELEMENTARY SCHOOL

August 4, 2019

Lakewood Falls Families

It is hard to believe but school is only a few days away. School officially starts on Wednesday, August 14th for 1st through 5th grade and all students (kindergarten included) on Thursday, August 15th. Our staff has worked hard this summer re-organizing, re-decorating and re-vamping much of the school. Some of these projects include painting the front office, re-designing the family conference room and re-vamping the mission statement to reflect our true values and even getting a new "official" logo and font. Now that much of this important summer work is almost complete, I would like to wholeheartedly welcome you to Lakewood Falls Elementary School for the start of the 2019-2020 School Year! Lakewood Falls Elementary is the Home of the Lions and we work hard each day to make sure that our students R.O.A.R!

Our new mission statement at Lakewood Falls is **All In For ALL Kids!** By being **all in** daily, our staff will work collaboratively to ensure the academic, social and future success of every child. At Lakewood Falls Elementary School, we believe it is our job to ensure all our students have options and that by becoming expert readers, writers, thinkers, and mathematicians that their options will be endless! We want our lions to dream big and work hard to acquire the skills necessary to reach those dreams and aspirations. In order to guarantee that this happens, as staff, we will set high expectations for our students. We will then work as a team (students, staff, and families) to ensure their success. We believe very strongly that "It takes a village to raise and educate a child". It is for this reason that we will work hard to communicate with you what is expected, where your child performs academically, and what steps we need to take so that together we can ensure the future success of every child.

If you are returning member of our Lakewood Falls Family, thank you for making our school your home and being part of what makes Lakewood Falls Elementary such a great place! If you are newly joining us, we want to extend a special ROAR (welcome). We are excited to show you why we are such a special place to learn. Please look at the information on the following pages closely as they will explain what you (and your child) will need in order to start off the school year successfully. Please take some time to read over the attached information with your child. I have tried to put as much information as possible on the attachments. If you do not see something or have further questions, please do not hesitate to call the school or email me directly swinters@psd202.org

"When You are ROAR-ing with the Lions – You are ROAR-ing with the Best!"

Sincerely,

Scott Winters

Principal & the Entire LF Staff
